

County of San Bernardino

Terry Klenske

Past WIB Chairman

Youth Council Member

Terry Klenske is the President of Dalton Trucking, Inc. (DTI). DTI was incorporated in 1977 and has since grown into an over \$32 million dollar per year, 350 employees, and 200-truck operation. DTI offers specialized services in “open top” bulk transportation, lowbed and general freight on flatbeds and vans, as well as rail service, Intermodal and 3PL services. In addition, the Company provides transportation services, offloading every thing from cow feed to lumber to steel. Dalton Trucking's off road division operates loaders, dozers, blades & water trucks, offering customized services to both cement plant customers & contractors.

DTI's principal place of business is a 30-acre campus located in Fontana. At this site, trucks are maintained and repaired, fueled, washed and parked. Commodities as diverse as lumber, pipe & steel beams are also stored. The Company also operates its newest facility, “Dalton Logistical Services” (DLS). DLS is the first public warehouse to service Union Pacific's West Colton Yard. The Company operates a third integrated facility in Adelanto CA consisting of 10 acres, a 10,000 sq. ft. shop, dispatch office, fuel island, wash rack and ample parking for 30 trucks.
